ILLINOIS COMMERCE COMMISSION

CHIEF CLERK'S OFFICE

Illinois Commerce Commission

On Its Own Motion

-vs-

Central Illinois Light Company,

00-0494

Central Illinois Public Service Company,

Commonwealth Edison Company,

Illinois Power Company,

Interstate Power Company,

MidAmerican Energy Company,

Mt. Carmel Public Utility Company,

South Beloit Water, Gas, and Electric  
Company, and

Union Electric Company

Proceeding on the Commission's own  
motion concerning delivery services tariffs  
of all Illinois electric utilities to determine  
what if any changes should be ordered to  
promote statewide uniformity of delivery  
services and related tariffed offerings.

**PETITION TO INTERVENE OF**  
**BLACKHAWK ENERGY SERVICES, L.L.C.**

Blackhawk Energy Services, L.L.C. (hereinafter Blackhawk), hereby petitions for leave to  
intervene herein. In support of its motion, Blackhawk states as follows:

1. Blackhawk is organized and exists under the laws of the State of Wisconsin as a limited liability company engaged in the business of rendering natural gas and related energy services to commercial, industrial and institutional organizations at the retail level within the State of Illinois.

2. For purposes of the service list, the following person is designated to receive service:

Julie Voeck  
Director, Energy Marketing  
Blackhawk Energy Services  
N16 W23217 Stone Ridge Drive  
Suite 100  
Waukesha, WI 53188  
[jvoeck@blackhawkenergyservices.com](mailto:jvoeck@blackhawkenergyservices.com)  
(262) 506-6612  
(262) 506-5511 (fax)

3. On December 16, 1997, Illinois Governor James Edgar signed the Electric Service Customer Choice and Rate Relief Law of 1997. Blackhawk submits that it intends to become an Alternative Retail Electric Supplier (ARES) in accordance with the requirements of this law. In becoming an ARES, Blackhawk will facilitate the delivery of electrical power to retail customers. Thus, Blackhawk has a substantial interest in the development of greater uniformity in the delivery services tariffs of Illinois electric utilities. Changes to Illinois utilities' delivery service tariffs will impact Blackhawk and its future customers.

4. The Illinois Commerce Commission initiated this instant proceeding on or about July 11, 2000, pursuant to Sections 9-250 and 16-108 of the Public Utilities Act.

5. Blackhawk has actively participated in the workshop process in this instant proceeding.

**WHEREFORE**, Blackhawk hereby moves:

- (1) That it be granted leave to intervene in this proceeding as a full party as its interests may appear; and
- (2) That Blackhawk may present evidence and cross-examine witnesses; and
- (3) That the Commission grant such further additional relief as it deems appropriate

Respectfully submitted,

Blackhawk Energy Services, L.L.C

By:   
Julie A. Voeck
